

Coach- As a rising (grade) attending (school) in (city), MD, I'm interested in learning more about COLLEGE and how I can be a contributor to your lacrosse program as part of your recruiting class of (year). I'd like to provide some information about myself both on and off the field.

I play (position) for (school), which plays in the very competitive (conference/county). Our team went (record) on the season. I made Varsity at (school) as a (year), (give a key memory in the season in which you contributed). As a (freshman, sophomore, junior)... (provide stats on season). (Mention team accolades, "team advanced to the regional semi finals.. blah blah blah).

Talk about other sports that you play. Mention the success of the team, what you contributed to the team, and stats.

I play for Old Line Lax Rockfish club team. It is a very competitive club team composed of elite players from Anne Arundel County. I play on the Black team which is the elite team for my age group. Also I have attended fall and winter tournaments with this team. I wear number "#" for both _____ and Rockfish. (If not, clarify)

In the class room, I currently have a _____ (mention whether its weighted or unweighted). I have taken (honors and AP courses → name them). I meet with teachers before school to help improve my grades; also I meet with my guidance counselor to insure I am taking classes that will benefit me. I believe I have the tools required to be successful on the field and in the classroom.
